

2Up

This is like a mini storyboard for sharing on the web, a blog, an email to clients, etc. It is formatted for vertical images. Directions:

1. Open 2 photos
2. Crop both photos (280x420)
3. Set your background to white, or whatever color you want
4. Run Action

Finished your entire product will be 600 x 420, so any other resizing for web, editing, is up to you. The author placed a mini border on the image so you can see where it ends.
